I took off his overalls and sucked his cock. It was enjoyable but all the time I was thinking how much I wanted him inside me.

When he entered me, each stroke caused juice to squirt out of me. He fucked me long and hard until he shot his load inside me.

Chris dropped me off at home. I groped him as we said goodbye and made sure I got his number.

AA meeting

Last year I had been on a works do in my Santa outfit when I made my excuses and left - I really needed my boyfriend's cock up my cunt.

On the way home my car conked out and I pulled over to wait for an emergency vehicle. It was half an hour before anyone turned up and I'd already had my hands on my clit to keep me warm.

The recovery guy, Chris, told me to sit in his cab to keep warm. He looked pretty nice. So nice I thought I'd forget all about the car.

As I climbed up he gave me a push on my arse to help me up but I ended up face down on the leather seats.

My first fetish night

Recently, I paid my first visit to a fetish club. I've always thought I was open-minded and adventurous, but I was shocked by what I saw. I'd just expected people posing in rubber and leather, but this lot were into whips and chains too.

I was wearing red stilettos to go with my dress, and this guy asked could he please kiss them. I felt a bit out of my depth but he was gorgeous, so I said yes!

He was on his knees, head bobbing about as he did it, and I began to imagine him kissing me further up!

Given all the kinkiness that was openly going on, I thought maybe that wasn't too much to ask. I didn't say anything, just parted my

He got an eyeful of my shaved, naked quim and then looked up at me. We had a funny moment when he said, "I'm Will, by the way..." I just smiled at him, then put my hand on his head and pulled his face onto it.

As his tongue worked on

didn't fool him – I just wanted to be tied up and shagged senseless. I later found out this was just his standard chat-up – sometimes he got told "thanks but no thanks" or just "fuck off", but it got a good enough hit rate to make it worth it! Anyway, it's OK on the fetish scene to ask for

me, I realised he was wanking himself – but that seemed to keep him on his stroke with me, not put him off! We both got to cum – me in his mouth, and him all over my shoes.

I didn't punish him for it – he was there with another woman who didn't mind him straying as long as it was just here and there. I've also found – now I've got a bit more experience – that being in charge all the time can be a bit exhausting.

I've always been quite feisty, so I didn't really appreciate it when this other bloke, Dan, came up to me and said I

what you want as long as you can take no for an answer.

I didn't say no outright, though, and we were sort of circling each other all night until I finally agreed to go home with him. He had his fingers up me all the cab ride home – though I had to be quiet while he chatted with the cabbie!

Any time I tried to speak he whispered in my ear that I was just his slut for the night, and the only time he wanted me opening my mouth was when I gave him head.

This talk was turning me on fucking big time! And when we got to his flat, he said I'd wasted enough of his time all ready, and could I get down on my knees.

I steamed in, grabbing for his cock, and he told me to wait – he'd tell me when he wanted to fuck my mouth. Then he got these gorgeous wrist-cuffs – leather lined with red velvet – and bound my hands behind my back.

KAYCEE

Once our regular girl, we only get to see Kaycee once in a while now, but like that sexy but lunatic ex that we stalk on Facebook, that viewing is always a pleasurable one. The randy Wrexham girl (21) confides: "I've been working my box off and having lots of fun stripping and shagging myself for the camera – and in my personal life of course! Escort's my first love though and I'm so happy to be back in its pages." We are too, Kaycee!

JAYE

Musical youth Emma and Jaye might be dexterous on the piano, and in each other's pussies, but wind instruments are their forte – pink oboe and skin flute to be exact. And we think you'd feel like you were sitting on top of the orchestra as these two brasses use wandering digits, bulging big boobs and hot 'n' horny questing tongues to bring you to a shuddering crescendo. Encore, ladies! Just give us five minutes, eh?

Take my load

My new bed – king-sized – arrived last week and part of the deal was that the deliveryman would assemble it.

I made him a cuppa and, as he drank it, I lay down on the

mattress, just to try it out.

I said it felt a bit big for just me, and he immediately replied that he bet I wouldn't have it all to myself for long.

He looked a bit awkward, realising the comment was probably out of order, but I asked him was that a come-

on. "If you're saying yes," he said, and I just patted the other side of the bed.

His name was Jack and he joined me, looking a bit awkward, but once I started snogging him, he got right into it, sucking my tongue into his mouth and rasping his against it.

I rubbed my body up against his, moaning as his hands found my hips, then felt their way up to my tits.

He squeezed them, rubbing the nipples as I undid my top and pulled them out of my bra, then he bowed his head and sucked on them in turn.

I splayed my legs, wrapping them round his thigh and humping myself against it. Although he was wearing jeans, I wondered if he could feel how hot and moist I was getting?

Well, he knew for sure a few minutes later when his hand crept up my skirt. He fondled me through my knickers first, then slipped inside them.

My slit was so lubed with my juices, his fingers just shot right inside my hole the

caught my clit as he stroked in and out, and all the thrusting and stirring soon had me boiling on the point of an orgasm.

That's when he started

second he touched it.

I tightened around them, pulling them in as deep as I could. I started scrabbling at his flies, hands shaking slightly, but he let me take my time, unbutton and unzip him, then let his meaty prick swell up in my hand.

It was so hot against my palm and dribbling with wetness, and I was so tempted to suck it. But if my pussy could have screamed for a shag it would have, and so I rolled over on my back, legs spread in the ultimate invitation.

Jack said I should be naked, this first time on my new bed – although I took this to mean he just wanted to see me with my kit off. I wanted to see him too and he didn't disappoint – nice, big, fit and totally in proportion.

He spread my legs then guided his dick into me, kneeling between my thighs at first then getting on top to do me deep, missionary style.

Between us, we managed to tilt my hips so his crotch

giving my tits a bit of attention again, sucking one and teasing the other with his fingers. I felt myself clamp tight around his shaft, then pulse in climax.

He fucked me slow until I couldn't cum any more, and then I just lay back, all hot and tender, as he took care of himself. I wanted him to cum in me, but he didn't want us leaving a wet patch on my brand new bed!

Even when I said I didn't mind, that it'd be like marking territory with our fuck-juices, he couldn't help but be professional

about it! So I told him he'd have to squirt all over my tits and belly instead.

He had a big pair of balls on him, and his spunk came out like it would never stop. When he finally did finish – with a little help from my hand – my boobs and stomach were one big mess of sticky splatters of spunk.

I was tempted to roll over and rub the lot all over the bed but he'd have been gutted!

REAL WIFE SEX

Rachel,
Berks

Sean knew his missus had a penchant for pussy, but not a craving for cocks!

This is my bird Rachel – ain't she a cracker? She's what you might call a goer. At least that's what I call her – she loves it!

For years we've been having loads of fun with other girls. One of her favourite things is to have me and a girl licking her out together.

She'll sit on the girl's face and have a lap at her cunt while I get back there and have a good taste of her holes.

She really likes it when I start fingering her, getting a finger up her arse and a fin-

ger in her pussy while there's a girl licking at her clit drives her up the wall!

It's lucky that my favourite thing to do is to fuck her doggie style and have my bollocks sucked at the same time, and when you've got a couple of birds in this position, it's the easiest thing in the world to pull your hard cock out, covered in pussy juice, and slide it straight into a waiting mouth.

Getting your dick sucked upside down so the top of her helmet is rubbing against a hot tongue and your balls are resting on some babe's

face is something else!

The only trouble is, Rachel's a bit impatient and she's been known to scream for some cock up her when I've been getting a bit too much into the blow job!

And she's not fussy about where you shoot your load either. I can blast my spunk over her arsehole, up her back, onto her cunt or thighs, she don't care. But I prefer to spunk all over the girl underneath me, that way I can get my dick sucked by her to finish and then watch her get all the jizz spread over

DICK AROUND

Rachel's sopping pussy.

She's a complete and total sex machine with absolutely no self-control whatsoever when she's with me. Wherever she goes men and women alike pay close attention to her every move. Though it isn't just the provocative way she dresses which makes men drool and make other women think she's just a cheap slapper.

Rachel's a really pretty, well-stacked redhead with fabulous legs, a terrific curvy arse, and one very, very hungry pussy! Now I'm no oil painting, but I do keep myself fit in order to keep up with her sexually, and until just over a week ago I was convinced I was keeping her reasonably satisfied, just me, my cock and a fresh girl every other week or so. I never thought she'd need more than I can give her, but it turns out that I underestimated just how much

WorldMags.net

We're both in our late 20s. I work in a bank, and though I'm still only halfway up the management ladder, our combined income is sufficient to provide us with a fairly decent lifestyle. Rachel spends a good amount on making herself attractive and I consider that money extremely well spent, especially after what happened at the end of last week.

She's not fussy

them even looked up from the bed, they were all far too engrossed in fucking, sucking and fingering each other. Unbelievably shocked, but very far from displeased, I just stood and stared, my penis hardening up like never before as I saw just what excesses Rachel was capable of behind my back!

At the moment I sneaked into the room, she was writhing and whimper-

Doctor Yes

There was some survey in the paper recently about which uniform people found sexiest. Most women said a fireman's, while the blokes got hard over nurses.

Most nurses are probably too overworked to live up

to the fantasy, but – getting down off my soapbox – I try to embody it while I can. I've had a few shags during on-duty hours in my time, with other staff and even the occasional horny patient. Nobody with a heart condition, though!

The best time was with this junior doctor. I must have had ten years on him, but soon realised he was in lust with me. One day he asked was I wearing stockings – I said no, they were tights, but if he

came to see me the next day, I'd have a treat for him.

Sure enough, we ended up in an empty private room, blinds drawn, as he rucked up my tight uniform to get a proper look and feel of my suspender straps. There was a stripped bed in there, with a rubberised mattress, and he bent me over it, pulling my skirt up to totally expose my arse, the sussies stretched tight over my cheek-flesh.

I knew my pussy lips would be pouting out irresistibly from between them, all wet and shaggable, and sure enough I heard him fumble his pants down and slide up me in one thrust.

I thought it was just to kill time at work while he was on call, literally an on-the-job thing. But he was just as up for coming home with me when our shifts ended. He got me to suck his cock, still tangy with my pussy juices,

fulfilled. I know I can't screw all day every day, but I try to get as much in as I can. And I love sucking cock too, or having a bloke go down on my pussy – whatever we're

I keep a dildo in every room for a wank whenever

and wash his jizz down with a glass of white wine – the perfect way for me to unwind after a demanding day!

Then he was ready to fuck me all around my flat – imaginatively, but not just for the sake of doing it in weird ways. The best fuck was when he did me from behind again, bent over my dressing table, so we could look at each other's reflection and see ourselves at it.

He stayed overnight and we walked to the hospital together the next morning – if anyone saw us, we didn't give a toss! I gave him more than a toss on the way in, though. We arrived with loads of time to spare, so we sneaked into a nearby park.

Just as he was fucking my snatch yet again, in the bushes just off the main footpath, a woman walked by. We don't know if she heard the noises we'd been making, but thinking we might have been caught, or been grassed to our bosses just added even more spice to our fuck-play.

I'll be honest, I live for sex. All I want to do with my life is fuck, and I'll be happy and

into at the time.

When I confide in friends about how I feel, they say I'm a total nympho – I

don't know if they mean it as a compliment but that's absolutely how I take it. Even when I'm on my own I'm insatiable. The other night, I was in my bathroom after taking a shower – by rights I should just have wanted to flop in front of the TV.

Instead, I grabbed my bottle of baby oil from the shelf, squirted about half of it all over myself, rubbing it in.

Then I grabbed a dildo – I keep one in every room so I can wank wherever and whenever the mood takes me – and started walloping it in and out of my cunt, making myself cum until I really was exhausted!

Tarted up

For her birthday, a mate of mine had a 'WAGs and Slags' night out, where we all went in fancy dress.

I managed to borrow a really good blonde wig and a tight mini-dress – I got the footie wife thing so spot on it was a bit scary.

My real hair is dark, and my usual dress sense more

I walked past him a couple of times, made eye contact, then queued up by the bar, a little bit further down. Sure enough, he came over and bought me a glass of cheap champagne, and we were snogging before I'd downed the last of it.

I acted a bit more pissed and giggly than I was, squeezing his arse. His hands began to wander, too, stroking my boobs. I whispered to go into the gents and I'd follow

and so I couldn't straddle him sat on the loo. Instead, I turned round and bent over it, reaching back to splay myself.

He wet a thumb and stuck it up my arse while fingering my cunt. Then he replaced his fingers with his cock, driving in balls-deep.

It was a bit of a frantic shag – he was going for it, so I frigged my clit even faster wanting to cum before he shot. He grunted and sucked in his breath as my pussy clenched tight.

Even when I stopped cumming, I kept squeezing

him with my walls, finally coaxing me to a massive, wet cum – when he pulled out, I felt the wetness gush down my inner thighs.

I got down on my knees and gave him a sucking, swallowing a big mouthful of jizz before we were interrupted by someone bashing on the door.

I've also got to admit, when I saw him down a pub later that week – with me as myself – he didn't look at me twice.

Goes to show what tarting up can get you!

classy, but I was gobsmacked by how differently blokes treated me. I felt more confident, too. To be honest, the ones I were attracting weren't my normal type, but getting laid wouldn't be a problem if I wanted it.

I thought I'd see how far I could push it, pull a bloke who I'd normally consider out of my league – and my target that night was Geoff.

He was waiting, beckoning me into a cubicle, and seemed so fucking chuffed that I hadn't changed my mind! As we snogged I groped his crotch, and his hand was soon up my skirt, fondling my pussy through my thong.

I got it out and wanked him as stiff as I could get him. There wasn't much space

Big Ron some
morning glory!
What a wake-
up call!

Dear Escort,
I thought I would drop you a line and let you know how much fun we have been having through your contact section.

I've been texting a guy called Ron over the last few months and we finally decided to meet him in a hotel in Birmingham, where he was staying on business. My hubby and I also booked a room, but we didn't let Ron know this in case we didn't like each other after all!

Waiting for him in the bar, I was still texting him, asking him if he had a nice big cock waiting for me. I described what I was wearing – black PVC bra with a matching thong, some hold-up stockings and some very high black leather boots (Ron had previously told me how sexy he found women wearing boots, so I had worn them especially for him). Over the top I had a black mac.

He finally arrived looking very nervous and asked us if we would like a drink. While he was at the bar I had a good look at him – I liked

what I could see!
Tall, not bad looking and well built.

As we made small talk, I crossed and uncrossed my legs slowly so he could get a flash of my stockings. Ron commented on my boots, telling me how sexy they looked.

I moved my leg closer so he knew that it was OK to touch me, and he started to gently rub my thigh. I opened my legs so he could have a proper look at what I had to offer him!

My hubby saw it

A RUDE AWAKENING!

was OK to leave us alone, and went outside for a cigarette. While he was away, I leaned forward and let Ron see down the front of my mac – his hand went straight in there! I felt his fingers touch the outside of my bra, then he bent forward and kissed me.

As we were kissing, he put his fingers inside my bra, squeezing my nipples and stroking my tit. This had got me very damp – I really wanted Ron to fuck me right there! So as soon as my hubby got back from his cigarette, I dragged them both up to our room.

Once back in the room, my husband poured us all a glass of wine and I finally let Ron have a proper look at me. I stood in front of him, undid my mac and let it fall to the floor. He buried his head in my cleavage,

frantically pushing in and out. I was in heaven!

Next thing I knew, Ron was on top of me, his hard cock driving into my waiting cunt. He had really good rhythm – he pumped and pumped in and out until I couldn't hold on any longer and I let myself gush all over his slippery pole.

Begging him to go harder, he groaned and then exploded his lovely spunk all over my swollen fanny. My panties were soaked and his hot creamy spunk dripped down my legs.

Exhausted, Ron went to his room to sleep. I didn't mind though – this meant it was my hubby's turn to fuck me. He loves to shag me straight after someone else has!

Next morning, my hubby woke me up with the

saying how pert my tits were, his rock hard cock pressing against me.

I pushed him back on to the bed, knelt in front of him, undid his zip and let his big cock spring out.

I started to suck on his juicy prick, licking all round the rim and up and down the shaft. I buried my face in his balls, manically sucking them.

He suddenly pulled me on top of him, and we kissed passionately. Meanwhile my hubby was sitting in the chair watching us with his hand on his cock, slowly wanking himself off.

Ron turned me over, sliding his fingers up my soaking crack. I was so wet by now as Ron shoved his digits into my pussy,

words "Big Ron's waiting for you!" I jumped out of bed, threw on my mac and went across the landing.

Straight away Ron's door flew open – he grabbed me and pushed me against the wall, lifted me up by the buttocks and filled my wet cunt with his stiff cock, slowly moving in and out, building up the rhythm until he was slamming in to me and spurting creamy hot jizz deep inside me.

When we had both cum, we laughed and decided it was the best wake-up call ever!

We keep in touch with Ron, but are hoping for even more guys to come along next time, so get in touch if you're up for it!

Donna,
Birmingham

TATE EXHIBITION

Everyone's favourite MILF, Tanya Tate, picked up two dick-shaped awards at Television X's annual Shafta awards, held at Platinum Lace table dancing club in London's West End this month. After bagging the Paul Raymond-sponsored Best Reality Series for Tanya Tate's Sex Tour Of Scotland, she scooped up MILF Of The Year for good measure. Also claiming gonad gongs were Angel Long (top left) for Best Sex Scene in Porn Apprentice and Emma Butt (bottom right) for Most Outrageous Sex Scene in The Only Way Is Sex.

Dear Julia

My wife Kim is 44 and has 36G tits. A few months ago, she received a misdirected text thanking someone for letting him fuck his wife. Kim replied telling him she was a married woman but received a cheeky message back saying if we ever fancied a three-way we should get in touch by sending a picture of her tits to show we were serious. I agreed to this bit of harmless fun but the mystery texter's demands were such that after a month we ended up

DEAR JULIA

meeting in a hotel where he fucked her in front of me in the pussy and arse!
Steve and Kim, Essex.

Julia says: If this cracking pair of puppies turned up on my mobile I wouldn't leave them alone either!

Dear Julia

I'm sure Aston (vol 32 no 2) could score with as many guys as she likes in 90 minutes. It depends on the various permutations. 90 men bang her slit for one minute, 45 men for two minutes, 30 men for three minutes. But if she has every hole filled, 180 men could bang her for a minute (etc etc...)
Derek, Hounslow.

Julia says: I didn't realise I needed to be Carol Vorderman! But with Aston, I think I'll take two from the top and one from the bottom.

Dear Julia

Cum fly with me? Flying cum more like! Loved these two horny hostesses!
James, Kent.

Julia says: I always fly British Threeways! Or is it SleazyJet?

Working Girl
My 20 years in the business

A personal account of the paid-for sex business
by Eliana

Honest and fascinating account of the life of a working girl: maybe a little too honest for the more squeamish among you. Eliana regales us with scores of nitty-gritty tales about the bosses, the madams, the drugs, the money, the highs and the very, very lows. The most memorable concern her clients – the ones with 'special requirements', including Christie the Creep, Paranoid Pete and Tom the human toilet. An unmissable walk on the wild side. Filming on ace director Michael Winterbottom's Paul Raymond biopic took to the streets of Soho, with gaudy porny Walkers Court closed to workers and tourists and retro-vamped into a 1960s alley jam-packed with dirty old raincoated men, streetwalkers and queues for the Raymond Revue Bar. With exclusive on-set access, my ed managed to extract a few words from stars Steve Coogan (Paul Raymond) and Anna Friel (Jean Raymond) – none of them printable.

REAL WIFE SEX

Sean's story continued from page 21

ing as the young guy rammed his cock into her pussy, while calling for him to fuck her harder! He paused momentarily, supporting his weight on his arms and withdrew from her pussy entrance, taunting and teasing her by nudging his helmet against her soaking cunt a few times. Then he thrust back into her again, making her buck and gasp. At the same time, the female, who I later found out was his girlfriend, was stroking my bird's pussy hair, fondling Rachel's tits and licking and kissing her neck. Her name was Ellen, and Rachel told me later that the boyfriend was called Mick.

I don't even remember tugging my cock out and starting to stroke it. I was too worked up to think straight. I only knew that I had never

been so excited by any sight in my life.

Ellen's body, which was covered with freckles, was slightly chubby in a peculiarly attractive manner and her big, plump tits were swinging as she manoeuvred around on the bed, stroking Rachel's pussy and her boyfriend's balls while Mick fucked Rachel.

After a minute or two, with Mick still shagging my woman, young Ellen started sucking on Rachel's rosy nipples, tugging them to hardness with her teeth as Rachel wriggled and groaned expletives. She was fucking this Mick guy back even harder than he was fucking her, so much so that the young bloke was having trouble balancing his weight on his elbows.

At last he slipped,

and Rachel took the opportunity to roll out from under him and give Ellen full access to her soaking wet pussy. Ellen licked her with gusto, and I was astonished to see how crazed the intimate attentions of another female were making Rachel. I had known she liked women but I had always thought, stupidly, that she was into them more for my sake than hers.

Looking back, it's amazing that no one noticed me, but they were all so completely into what they were doing

She sucked my wife's badonglas

that only an atomic bomb going off downstairs would have distracted them. Mick was on his stomach, licking Ellen's pussy as she did the same to Rachel, his legs hanging over the end of our bed.

Then they switched around again. Mick moved up onto the pillows and, squatting, lowered his thick cock into Rachel's open mouth while his girlfriend dry-humped her, grinding her pubic bone against Rachel's curly, dark brown pussy. Their bodies writhed together, nipples brushing against nipples as they sighed.

At last, just as I felt myself about to come, Ellen moved down Rachel's body

and licked the whole length of her dripping wet slit, before burying her tongue between the dainty folds of her labia. This was just too much for my Rachel and she climaxed with almost incredible force, bucking on the bed so hard that Ellen's face was pushed aside by her thighs and Mick's shaft jerked out of her mouth, spraying his thick, white spunk on her face.

I was in a dream world as I, too, shot my load, not caring that my jetting cum was raining down all over the bedroom carpet.

There was no fuss when they finally noticed me standing there, and I found out later that Rachel had been more than just friendly with this couple for several months, but hadn't been sure how I'd react to the other cock getting rammed up her.

But I realised I'm happy for her to get a hammering while I watch as well. I expect to be seeing Ellen and Mick in our bed with her again sometime very soon I trust! 🍆

Check out dirty darts fan Eva (22, from Scotland), who scores double top with her high-scoring chest. She's a big fan of three in a bed too. "The best night of my life was getting shafted in both holes at the same time. I could feel the cocks nearly touching each other deep inside me as they thrust inside me. I came in one long twenty-minute orgasm," she purrs.

Normally we can't hit a dartboard to save our lives (unless it's the wire) but this dirty chucker will guarantee us a perfect finish!

Torque dirty

A few months back, I had a fling with a rich bloke, Louis. He was a bit of a petrolhead, and one day I went with him while he test-drove a huge classic car.

We had it for the afternoon and he had more than motoring on his mind!

The back seat was huge – bigger than my couch – and that was our first stop. Me on my back with Louis ploughing away between my spread legs, Louis sucking on my tits as his cock slid in and out of my juicing twat.

He shot a big wad up me, mopping my juices up with my knickers so I wouldn't mess the seat. He did at least leave the car when he needed a smoke but I just laid back and played with myself for a

bit while he watched me through the window.

When he got back in again he said we'd best return the car, but I told him I wasn't going anywhere or getting dressed until he'd fucked me again.

Louis's favourite position was with me sitting on his lap, either bouncing on his cock myself, or just letting him shag up into me. So he sat in the passenger seat and I got into position, taking his prick up my twat once again.

I squirmed around and he asked did I have my heels on. I didn't, so he had me put my feet up on the

polished-wood dashboard.

It felt solid enough though my feet were barely touching it as Louis held my legs

up behind the knees. He was humping up into me and my pussy was so wet his prick kept slipping out.

Slut's magic

By the time I finally got it together with my sexy lesbo girlfriend Martha, the anticipation was running pretty high!

My first thought when I arrived at hers was how slutty she looked, and how much it suited her! She had on

high heels, a miniskirt short enough to flash her stocking tips, and a low-cut top about two sizes too small.

One drink and a quick chat later, we were kissing and feeling up each other's curves as we undressed. She has bigger boobs than me, so I had fun playing with them, cupping them as I gently

licked and nibbled her nipples to full stiffness.

She had a good feel of mine too, and my arse, but was obviously impatient to play with my pussy. So I spread slightly and let out a moan, coaxing her to slip her hand between my thighs.

I did the same to her – she was so slick and warm against my fingers. And soon I was tasting her for the first time, as we sixty-nined on her bed with me on top.

I love to be licked, and her tongue felt so amazing flicking my clit then pushing up my fuck-hole. My orgasm was building and from the noises Martha was making – and the

pulsing of her pussy against my tongue – she wasn't far off either.

With my crotch planted over her face, I just had to splay to take her tongue as deep as I could as I came. Meanwhile, I saw her toes point and felt her legs stiffen, her thighs squeezing on either side of my head, pinning me where I was.

Not that I minded having my face jammed in her sweet snatch!

I already knew she was into toys so it wasn't a shock when she brought out a

big strap-on, but that didn't stop a shiver of nerves and excitement going through me.

She was chuffed that I was up for it – some girls said no

or bottled it after saying yes, and when she asked could she do me from behind, I got on all fours with my arse tipped up ready.

She didn't just fuck me,

A couple of times it touched up against my arsehole, and he asked me could he go up there instead. He knew I'd say yes – I'm as much of an anal fiend as him!

He wet my opening with my pussy juices then slowly slid up inside it, right down to the hilt. There was me, sat with my tits on display, my pussy spread and a thick tool rammed up my arse.

Louis rubbed my clit as

he ground up into me and I started to cum almost instantly. I braced my feet against the dashboard and as his hands splayed my bum cheeks wide, he flooded my arsehole with jet after jet of warm spunk.

Later, I realised I must have left my knickers in the car at the showroom – I hope that whoever found them got a thrill from them!

she used it to excite me, playing it against my slit and sometimes barely thrusting in or giving me the whole length of it.

Then, when I snatched a vibrator from her "box of tricks" to use on my clit, she really gave me a good seeing-to, pummelling my flowing hole until I came, which only took a couple of minutes.

Feeling self-conscious about how loud I was screaming, I buried my

face in the pillow, but she grabbed the back of my hair and pulled it till I was moaning out loud again, my face contorted with joy.

She gave me the best fucking I've ever had off a woman that night, and we're going to meet up again, at mine this time.

I asked her if she would bring the strap-on and she says "Yeah – so you can fuck me with it this time." I can't wait!

Long 'n' hard

My girlfriend Sue loves to go out with her tits on show, no knickers on and very high heels.

She knows how much it turns me on when guys and girls flirt with her and ogle her boobs.

One night we were in this hotel and she was being really flirty and showing off her tits. This young couple couldn't stop looking at her and I knew how much it would be turning her on.

Next thing we knew, we were all chatting. Dave and Jane and us were all getting on well, that Sue invited them back up to our room.

The three of them went up and I quickly paid the bill and got us some more wine. When I got back to our room, I opened the door to find that Sue had wasted no time getting started!

her juicy wet pussy.

Every so often, Jane would take her fingers out of Sue and, covered in Sue's juices, put them in Dave's mouth so

Sue, Lancs

His balls slapped against her pussy

She was on the bed, Dave's big hard cock in her mouth, sucking it and taking his ten inches deep in her throat.

Meanwhile, her legs were spread wide with Jane's fingers moving in and out of

he could have a taste too.

I could tell that by now Sue just wanted to be fucked long and hard, so she bent over and let Dave slide his massive ten inches all the way I to her wet hole, banging away at

her with his balls slapping her pussy with each thrust.

Sue then told Jane to finger her arse, which pushed Sue over the edge and she was soon gushing her cream over Dave's prick as he continued to slide in and out, until he pulled out and shot his hot jizz all over Sue's arse, and some in to Jane's eager mouth.

Jane and Dave couldn't stay long as they had a train to catch. So we swapped numbers and they left me and Sue to have our own dirty time.
